Mrs. Hiram J. Hays
Executive Secretary
Citizens Council for a Clean Potomac
4863 Potomac Avenue, N. W.
Washington 7, D. C.

Dear Mrs. Hays:

Thank you for your letter of March 17, 1957, to Mr. Dulles regarding the sewage treatment and disposal facilities for our new building and the area of Fairfax County surrounding our site at Langley, Virginia.

We have been assured by resolutions adopted by the Board of Supervisors of Fairfax County on May 18, 1955, and September 12, 1956, that suitable sewage-disposal facilities will be provided for our new headquarters building by the time it is ready for occupancy.

You will understand, of course, that the zoning policy and related planning for public utilities are entirely the responsibility of the local government. We will, of course, cooperate with the local authorities in every appropriate way.

Your interest in this matter is appreciated.

Sincerely,

L. K. White
Deputy Director
